## ABOUT FOOD AS ART

Food As Art is the 4th annual gala benefiting the Central District Forum for Arts & Ideas. This lavish event features elaborate tasting stations from Seattle's top African-American Executive Chefs and restaurateurs. It is a unique opportunity to savor cuisine from all over the world made with only the freshest of ingredients and displayed with all the creativity worthy of a work of art.

The Chefs' tables are arranged and designed in a visually stunning array around the International Promenade at Bell Harbor. There are no assigned seats--sit with friends or meet someone new. **If you are coming with a crowd (ten or more) reserved seating is available. Call 206-323-4032 to reserve a table.** Each chef will prepare 2-3 entrees or desserts. Visit as many as you can and get a taste of the world at *Food as Art!*

The proceeds from *Food As Art* will expand the CD Forum's capacity to offer inspirational performing arts, readings, lectures and discussions about the black experience in America. We encourage you to take the time to read more about the CD Forum's [mission](#) and [programs](#).
